

You Can Reach Your Deleted Mails (Even if you delete them from Recycle Bin)

As Üsküdar University, we offer you the opportunity to rescue your e-mails for 15 days even if you empty your recycling bin.

All you have to do is click on the deleted items folder in your Outlook and choose recover deleted mails from server.

You will see your e-mails that you have deleted from the recycle bin when you sort by the following list. You can get it out of here.
